## Discussion of 2021 Strategy

The board discussed and agreed upon a continuation of scholarships to Latino youth that have been accepted or are attending a two or four-year college or technical school. There was also a discussion expanding the number of scholarships as the amount of donations increased.

A general discussion was held among board members regarding priority actions in 2021. A motion was made by Ana Maxey to continue the scholarship program and take on additional activities (e.g., English language training for technical careers and other activities) needed to help Latino children achieve better education outcomes.

A motion was made by Larry Maxey to accept the chairman's report and was seconded by Dominique Vega. The board voted to approve the chairman's report.

A motion to adjourn the meeting was made by Ana Maxey and seconded by Larry Maxey. The board voted to adjourn the meeting at 7:30 pm.
